

*Welcome Home, Sis*

*Her Place / Safe Space is a Christ-centered sisterhood for women ages 15-30, who are ready to walk in freedom, discover their God-given identity, and live boldly in purpose. Whether you're in a season of discovery, stagnation, healing, transformation, or seeking community -- this is your place to be seen, supported, and spiritually poured into.*

*You don't have to have it all together to belong here. Just come as you are - and let God to the rest.*
